

AGENDA ITEM No. 12(a)

NORTH LANARKSHIRE COUNCIL

REPORT

To: ENVIRONMENTAL SERVICES COMMITTEE	Subject: TENDER FOR THE SUPPLY OF WHEELED REFUSE CONTAINERS - Amendment to Previous Decision
From: DIRECTOR OF ENVIRONMENTAL SERVICES	
Date: 16th February, 1998 Ref: GB/LJ	

PROPOSED DECISION

To set aside the previous recommendation in the case of Tender B that Messrs Icoplastic be awarded the tender and to accept the second lowest tender submitted by Messrs MGB Randalls, Pontefract.

FINANCIAL RESOURCES

Monies have been allowed within the Department's budget to purchase replacement containers.

REPORT

In the report considered by North Lanarkshire Council on Thursday, 12th February for the supply of wheeled refuse containers it was recommended in Tender Group B that the tender be awarded to the lowest bidder, Messrs Icoplastic. It has been discovered, however, that Messrs Icoplastic whilst being the cheapest in the group did not comply with the tender instructions and price for all types of bins within the group and accordingly their tender should be set aside.

RECOMMENDATION

The tender should therefore, be awarded to the second cheapest tenderer, Messrs MGB Randalls, Pontefract.

BACKGROUND PAPERS

The tender documents from the companies who submitted tenders are held at the Environmental Services Department.
