

## NORTH LANARKSHIRE COUNCIL

## REPORT

To: ENVIRONMENTAL SERVICES COMMITTEE	Subject: Water Supply (Water Quality) (Scotland) Regulations, 1990 - West of Scotland Water Authority : Environmental Quality Report
From: DIRECTOR OF ENVIRONMENTAL SERVICES	
Date: 30th July, 1998. Ref: DJC/MC	

**PROPOSED DECISION**

To note the report.

**REPORT**

West of Scotland Water has recently published its Environmental Quality Report for 1997 containing broad summaries of its roles and progress in maintaining and improving standards of water quality.

While North Lanarkshire comes within the area served by West of Scotland Water Authority there is nothing in the report which particularly pertains to the Council's area. The only exception to this is the list of relaxations and undertakings regarding water quality standards submitted to the Secretary of State for approval which included some sites within North Lanarkshire and which were the subject of a report to the Committee dated 16th March, 1998.
