

To: ENVIRONMENTAL SERVICES COMMITTEE	Subject: Business Partnerships Scheme Retail Car Trade
From: DIRECTOR OF ENVIRONMENTAL SERVICES	
Date: 15th September, 1998. Ref: TR/MC	

PROPOSED DECISION

The Committee are requested to note the contents of the Report.

BACKGROUND

The Committee will recall that in April of this year a report was submitted concerning a proposal to introduce a registration scheme for the retail car trade. This scheme was mooted to promote and maintain a fair trading environment and was in partnership with South Lanarkshire Council.

REPORT

The scheme was officially launched on 28th August, and was well supported with approximately 30 traders being represented.

It is proposed to issue traders with their membership on Thursday, 8th October, 1998, at a time and venue still to be determined.

The Committee will be advised, in future reports, of those traders participating.
