PROPOSED DECISION

To agree to grant the applications for licences in terms of the above legislation as contained in the Appendix to the report.

REPORT

The Department has received applications for licences in terms of the above legislation. The details of the applications together with the type of licence requested are contained in the Appendix to the report.

The premises listed have been visited both by officers from the Department and where necessary, a Veterinary Officer, and have been found to be satisfactory and consequently there are no objections to the granting of the licences.

RECOMMENDATION

It is recommended that licences in terms of the above legislation are granted for the premises as listed in the Appendix to the report.

M'Kenzie L. Hutton
