

**NORTH LANARKSHIRE COUNCIL
REPORT**

To: ENVIRONMENTAL SERVICES COMMITTEE		Subject: SCHOOL CROSSING PATROL – CORONATION ROAD/ PARK STREET, NEW STEVENSTON, MOTHERWELL
From: HEAD OF ROADS & TRANSPORTATION		
Date: 22 AUGUST 2007	Ref: S/RS/71/54	

1. PURPOSE OF THIS REPORT

A request has been received, asking that consideration be given to the provision of a permanent School Crossing Patrol. This report makes recommendations on the site.

2. BACKGROUND

The Planning and Development Committee, at its meeting on 30 October 1996 agreed that:

- a] Requests for the establishment of a School Crossing Patrol are accepted only from approved sources.
- b] That all requests in relation to the establishment/removal of a School Crossing Patrol be assessed against the criteria as contained in the national document "Guidelines for the Management and Operation of the School Crossing Patrol Service".
- c] That the local member and other relevant persons be consulted when a School Crossing Patrol is being investigated.

3. PATROL SITE

The following site has now been assessed in accordance with agreed criteria:

Coronation Road/Park Street, New Stevenston, Motherwell

Assessment details and plan are attached.

4. OUTCOME OF ASSESSMENT

The site was assessed in accordance with the above-noted criteria; the results from the assessment, together with the requisite details of the site, are recorded on the attached summary sheets. As required by the criteria, a PV² rating was calculated for the busiest 30-minute period of the day. The PV² rating is calculated by multiplying the total of the child pedestrians [P] with the

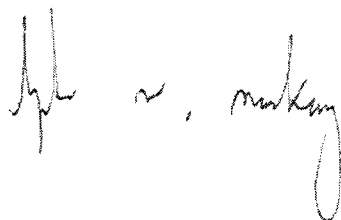

square of the total number of light vehicles equivalent [V²] over the same consecutive 30-minute period.

The calculated PV² value for this site for the am assessment is above the adopted criteria threshold level and the pm assessment is below the threshold level.

This investigation was carried out following a written request from the Local Member to make the existing temporary crossing patroller permanent at this site.

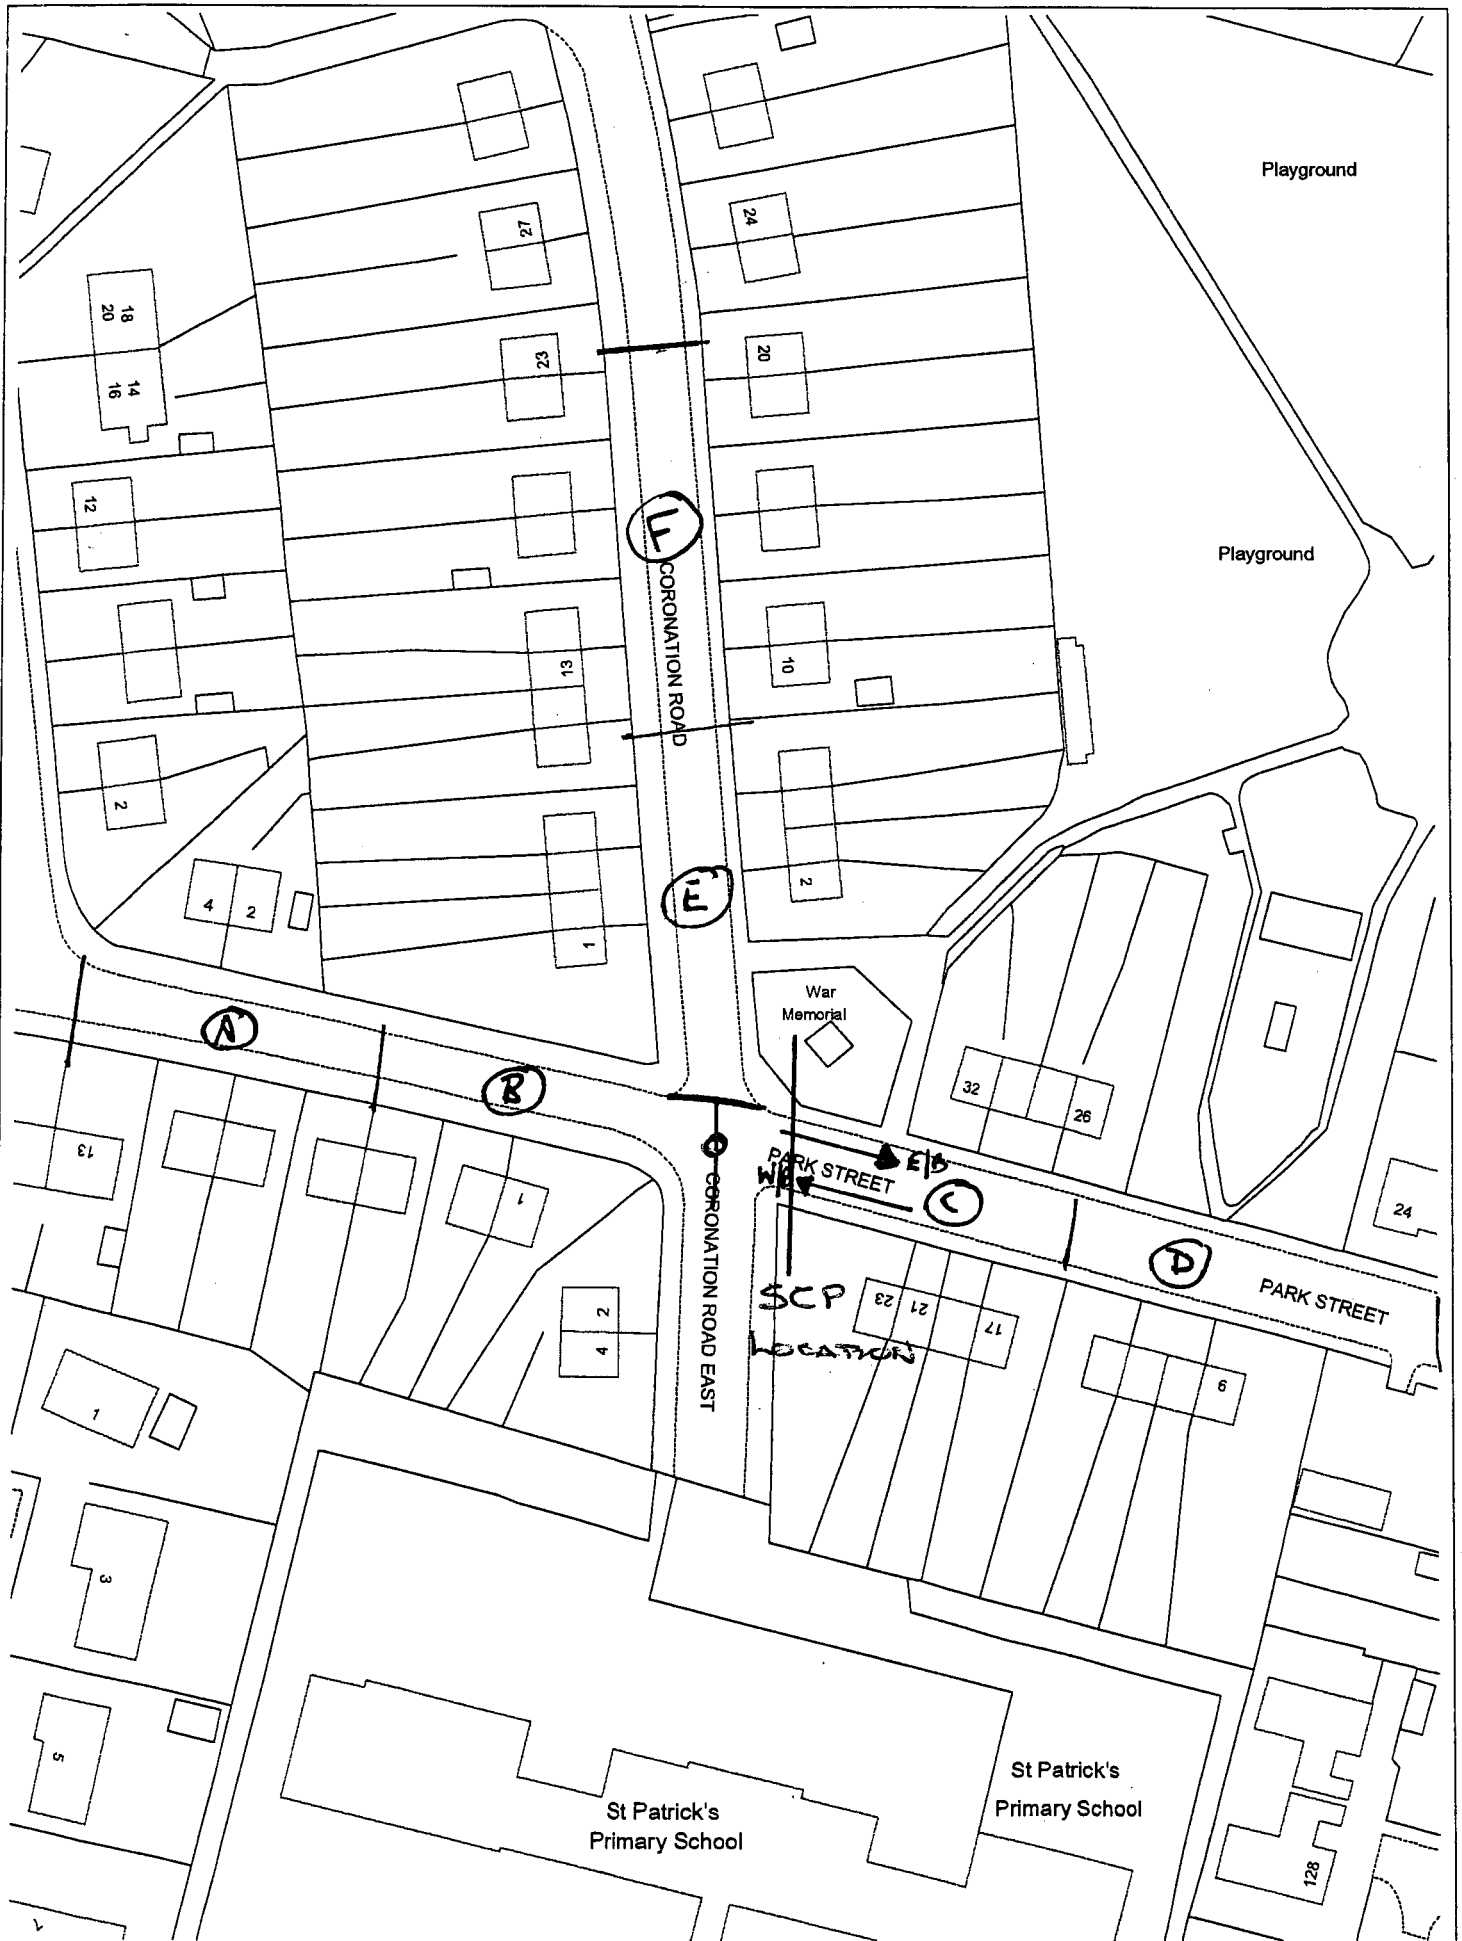

5. RECOMMENDATION

As a result of the site investigation carried out, the committee is asked to grant a School Crossing Patrol at Coronation Road/ Park Street on a permanent basis.

A handwritten signature in black ink, appearing to read 'Graham MacKay', written in a cursive style.
