Minute of Previous Meeting (09.03.04)

The Minute of Previous Meeting was adopted as a true record of the proceedings.

Proposed: Harold Hughes Seconded: Agnes Baillie

Gala

Work had begun on the Gala with flyers having been posted through all residents' letter boxes.

It was hoped that the Gala Committee would become a registered charity and that George Williamson from North Lanarkshire Council would assist with the application in this regard.

The Chairman asked that Committee members give thought to who could be approached for sponsorship. He would follow up the previous year's contributors.

ACTION: The Chairman would contact George Williamson and invite him to next meeting.

The Chairman would contact previous Gala sponsors.

Committee members would submit ideas for sponsorship to next meeting.

Treasurer's Report

The account balance stood at £1,399.72 although this would be considerably decreased in June due to expenses for the Gala.

Northern Monitoring Group

There had been no word from this group since Community Councils had been asked to elect a representative. There was a wider discussion about the implications of the closure of Stobhill Hospital and it was thought that NHS Greater Glasgow should provide information in this regard.

ACTION: Olivia Cornacchia would speak to Niall McGrogan, the Community Involvement Officer for Greater Glasgow NHS Board and find out how to access updated information.

Housing Procedures

Jennifer Lewis asked for discussion of the process used by Moodiesburn Housing Office to allocate council housing. An elderly relative of a resident had been waiting for some time to be allotted a house on medical grounds. His application had so far been unsuccessful. While there was sympathy for those involved and the Community Council also experienced frustration with the housing allocation system, members felt that it was not possible to take up individual cases, as this was a problem currently being experienced by a number of residents.

4. THE Community Council will send a letter to the Council regarding the state of the Pavilion letting them know that people have enquired about using the Pavilion but have been told it is in no fit state to be used.
