Issues

NHS:

as it is on the cards for a new health centre in Kilsyth, the forum would like to know if there is any plans been considered for the existing health centre. The Burngreen Lodge was derelict for some time and was subject to vandalism and set fire to on numerous occasions. As the Friends of Burngreen have worked really hard to maintain the area, they also share our concerns.

The other concern was regarding the Car Park at Burngreen, which is currently owned by NHS. When the new health centre is built, is there any plans as to what will be done with this car park? Who will take over ownership?

Partnership

As always we are continuing to develop new partnerships to promote the work of the Forum and insure we reach as many local people as possible.
