Engagement Stall at Civic Week

As part of the forums commitment to delivering a local community activity to inform the Local Area Team Local Action Plan they carried out a Vox pop resident's survey at the civic week. This survey was completed by 70 local residents. The following key issues were raised on the day:

- Anti-social and Police
- Litter and Dog Fouling
- Traffic and Transport
- Town Centre
- Public Toilets
- Health Centre
- Others (this included the Provost McCann Walkway, which is constantly flooded even when it has not been raining for weeks).

See Me Pledge

The forum promoted the see me pledge at the civic week and gave away lots of 'See Me' Fans, which went down well on the day as it was warm so everyone had them.

Date of next our full forum meeting is Wednesday 2nd October at 7pm in St Patricks Primary School.

As always we are continuing to develop new partnerships to promote the work of the Forum and insure we reach as many local people as possible
