This papers aim is to give an update on the workings of Kilsyth & Villages Community Forum. Since the last report the Forum has held it's AGM

Community Forum achievements/new developments**See Me Pledge**

The forum have recently supported the 'See Me' evening, which was organised in partnership with Cumbernauld Community Forum, Northern Corridor Community Forum NHS and North Lanarkshire Council.

Well Informed

At our October meeting we had a special presentation by Lindsey Sampson from Well Informed. We also used this meeting to engage with the forum members and map out what service, clubs and activities local people could access in Kilsyth and the surrounding villages.

The forum members are keen to see the Garell Vale Centre develop new health waking groups as a follow up to the very successful Fitness Alfresco. New groups are needed to help with new ex-patients to help them rebuild their physical and mental wellbeing.

Date of next our full forum meeting is Wednesday 6th November at 7pm in St Patricks Primary School. The Special Agenda Item on the night will be the Kilsyth Town Centre Action Plan and Kelvin Valley Action Plan.

As always we are continuing to develop new partnerships to promote the work of the Forum and insure we reach as many local people as possible
