

NORTH LANARKSHIRE COUNCIL

REPORT

To: Bellshill & District Area Committee	Subject: Interim Community Grant Scheme
From: Chief Executive	Consideration of Applications and Area Allocation 1998/99
Date: 27 November 1998	Ref: CE/012/001/001

1.0 Purpose

- 1.1 The purpose of this report is to request Bellshill and District Area Committee to consider applications for community grants as detailed in the attached schedule and to advise the Area Committee of the remaining balance within the Area Allocation 1998/99

2.0 Area Allocation

- 2.1 The total Area Allocation budget awarded to the Area Committee in financial year 1998/99 is £10,500. To date the Area Committee has awarded the total sum of £2,425 from this budget leaving a remaining balance of £8,075.

- 2.2 Members will recall that Bellshill Area Committee at its meeting on 16 September 1997 considered its priorities for allocating the Area Allocation of the Interim Community Grants Scheme Budget. The Area Committee recognised that the budget would be most effective where it was used to fund projects operating across the Bellshill Area and also if it could be allocated in partnership initiatives where further or match funds were awarded by other agencies and the private sector. The Area Committee further agreed that the undernoted issues should be the priority focus when considering funding awards from the Area Allocation:-

- Community safety including street safety;
- Misuse of drugs and alcohol amongst young people;
- Elderly people's safety; and
- Fear of crime.

- 2.3 The funding awards agreed by Bellshill and District Area Committee in this financial year satisfy the above priorities.

3.0 Recommendation

- 3.1 Bellshill and District Area Committee is requested to consider the Community Grant applications listed in the attached schedule and note the remaining balance within the Area Allocation.

P. A. Sandie Mackay
