4. **TREASURERS' REPORT** (GIVEN BY TELEPHONE) Gladys Cunningham reported that there was no money in the accounts. This was because of on going problems with the council caused by the bank sending statements to the wrong person, this has now been resolved but the council now say that they do not have copies of all council minutes. They are insisting that we send them a copy of all minutes relating to meetings held between Jan 98 and Jan 99. On checking the dates they state they have no copy minutes for, Sep 98 and Oct 98, it was found that there was no meetings held and as we were in the process of holding Jan 99 meeting there could be no minutes. It was decided just to send copies of all council meetings covering Jan 98 – Dec 98 in the hope that this may finally solve the problem and release the grant.
