

## Carfin Community Council

Meeting 14<sup>th</sup> January 2014

Attendees : J. Telfer, M. Gillard, J. Burns, A. Ward

Visitor : Michelle Battersby, N.L.C.

Before the meeting commenced it was stated that the committee have noticed that the Christmas lights on display by North Lanarkshire Council this year were very festive and made the village very attractive. Also the householders around the Carfin Cross and Newstevenston Road areas made a great effort decorating their windows and gardens. The whole village was a credit to all.

Minutes for the month of December 2013 were quickly dealt with as this meeting is a follow up to the discussion about the War Memorial.

Michelle had a few photo copies of memorials and had plans drawn up which would accommodate our requirements. We have more or less decided what we want, but think it best to hold another meeting for the public to see what is involved in this project. Again we will try to involve the local press and local businesses as well as the community of the village, thus maybe helping us with some financial assistance. It is hoped that interest will be shown and suggestions and comments will be welcome.

Councillor H. McKenna and Michelle Battersby, and Ellen Archibald of N.L.C will be invited to attend and help answer any questions.

A.O.B. Work has begun on Newstevenston Road at Carfin Cross to get rid of the bad smell which as been upsetting the local residents and shop keepers for some years now. It was stated a few months ago that a broken pipe underground was responsible and although work done has been previously unsuccessful it is now hoped that this matter will be eradicated this time.

Next meeting : Tuesday, 11<sup>th</sup> February, 2014

John McCormack Centre, Carfin, 7.30 p.m.
