

CARFIN COMMUNITY COUNCIL

Attendees : J. Telfer, M. Gillard, J. Burns, A. Ward,  
Councillor P. O'Rourke

J. Telfer opened the meeting and the previous month's Minutes were moved by J. Burns and seconded by A. Ward.

Several members of the public who attended presented a petition containing 20 names of people who stated that rules had been broken regarding the constitution, and they called for another meeting as they had not been consulted about the money which was proposed for a War Memorial. The notices were posted around the village shops and press. However, the chairman agreed to a meeting on Tuesday 8<sup>th</sup> April 2014 which will deal only with the War Memorial issue.

The meeting then started to get noisy and voices were raised on many other matters, it became so bad that there were no minutes recorded because the whole object of the meeting was totally distorted.

AOB postponed.

Next meeting : Tuesday 8<sup>th</sup> April 2014
