

CARFIN COMMUNITY COUNCIL
ANNUAL GENERAL MEETING

19th June 2014

**Attendees : Councillors H. McKenna, P. Nolan
Michelle Battersby, N.L.C. Local Regeneration Manager
J. Telfer, M. Gillard, J. Burns, Carfin Community Council
Visitors : Two police constables.**

J. Telfer opened the meeting and welcomed everybody. He was immediately interrupted by a member of the body of the hall who wanted to know why there was a police presence. J. Telfer reminded the person (JH) this was an AGM and his question was irrelevant, but assured him the police often came to our meetings and had been invited to this one.

The meeting proceeded and the treasurer, M. Gillard read the Balance Sheet. This was moved by J. Telfer and seconded by J. Burns. M. Gillard must send the Cash Book, Bank Book and monies to Clare Louise McDonald, Corporate Services.

The Chairman, J. Telfer stated he was resigning this year, and the Treasurer M. Gillard has retired this year, having served on the Community Council since it began thirty five years ago. Minute Secretary A. Ward, has stated she is unable to continue due to developing arthritis in both hands.

As a result of the above committee being disbanded, the body of the hall was asked by J. Burns who took the chair, if anyone was willing to start anew, she intimated she was, but there were no volunteers and sadly the Carfin Community Council will now cease to function.
