Meeting opened at 7pm by the Chairman.  
minutes read from last meeting on 5/1/2014.  
Proposed by Ian Brown and seconded by Danny Brown.  
Dog park bins finally being picked up regularly.

The Community Council has repeatedly asked for  
Speed restriction sign to be put in place for over  
a year with no success. Try to schedule a  
meeting with the Roads Dept. to get the matter  
resolved.

meeting needed also regarding parking issues.

Chairman tells the group about ideas for day  
trips away. The Secretary informs the group  
about grant forms received for a Clyde Valley  
"Community Benefit Fund" and National Lottery  
'Awards For All'. Group would like the run of  
trips for Families, Pensioners and Disabled people  
and their carers. So we will apply for funding  
to do so.

Childrens Christmas Party is booked so group will look to plan events for the day. & apply for funding.

The secretary brings to the groups attention a proposal recieved from NLC regarding the possible relocation of Tollbrae P.S., ST Edwards P.S and ST Dominics P.S to Craigneuk Playing fields. After discussions the group vote to oppose the proposals. All in favour. The groups main objection is the safety aspect of kids having to cross Carlisle Rd to go to the new school if plans go ahead.

Group decide to contact Police for a report on any accidents in the last 10-20 years\* and a report for the same of Carlisle Rd.

\* (at any of the schools)

Also contact Craigneuk Community Council, and all the schools involved to ask their views on proposed plans.

Attend the public meetings to voice concerns regarding the safety of the site.
