Apologies: Margaret Anderson and Murdo Maciver. MC reported that she had received a call from Murdo's office today to say that there had been a mix up with his diary and he would not be able to attend the meeting tonight.

The chairman invited Scott McCarron to deliver his report at the start of the meeting. This involved crime numbers for the month of May; a discussion followed covering broken glass on the park at McArthur Avenue/Off road bikes being an issue in certain areas. Cllr C asked if it would be possible to have ex offenders paint the church hall fence – this was going to be checked to establish if possible. Scott issued a phone number to all present, which would allow us to report any issues directly to his office.

The chairman asked that the minutes of the last meeting be adopted as correct. These were duly proposed by GB and seconded by JO.

There was a discussion on the need for a new primary school in the village.

### **The chairman asked if there were any matters arising from the last meeting.**

FQ – asked for an update on the community council badges?

JC – said that he had followed this up however the badges have not yet arrived. He stated that he would email the company again and update us at our next meeting.

We then looked at a planning application from Your Energy Ltd for a proposed windfarm in Greengairs, it was agreed to write to this company for more information and how any community gain could be obtained.

There was a question on any windfarm locally from JC and Cllr C said she would look into this and report back to us.

Next there was a discussion on issuing another invitation to Murdo Maciver and J. Logue to our next meeting. It was also decided to invite Christine Pollock from NLC and Alex Neill. MC would email/write to all and report back.

### **Next we moved to incoming correspondence**

GS – apologise for not having the letter from the bowling club on the authorisation to use the crest for our badges, he had not had time to write it yet, but would for the next meeting.

Cllr C said she would like to organise a fun day for children in the village and asked if we would have a stall there, this was agreed. There was no firm date yet for this, Cllr C would let JC know and the date would be passed to us. Cllr C asked if anyone would be able to help organise this, and BK volunteered. FQ – stated that from the treasurer's point of view it would be good to invest in the community.

FQ – asked Cllr C if there was any update on the street lighting? There was a brief discussion on this and Cllr C said she would look into this for us.

At this point the meeting was closed.
