

To: BELSHILL LOCAL AREA PARTNERSHIP		Subject: BURNHEAD PITCHES
From: HEAD OF COMMUNITY INFORMATION & LEARNING		
Date: 30 September 2008	Ref: IMMS	

1. INTRODUCTION

The purpose of this report is to provide an update to a question which was raised at a previous local area partnership meeting on 1st May 2008. The question related to whether any work had been undertaken to upgrade the pitches at Burnhead, together with information on the work to upgrade the facility at the Viewpark Sports and Fitness Club.

2. BACKGROUND

2.1 The Infrastructure and Development Manager, sent a response to a member of the public who had raised a question at the local area partnership meeting in relation to the work that had been undertaken on the Burnhead pitches and the Viewpark Sports & Fitness Club.

3. CONSIDERATIONS

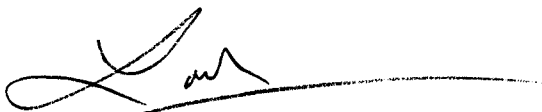

3.1 Viewpark Sports & Fitness Club has four team changing rooms within the complex which services the two pitches adjacent to that building. £150,000 was spent on refurbishing the changing rooms, with showers, plumbing work, paintwork, tiling and benches all being upgraded.

3.2 An additional £26,000 was spent on the two pitches. Drainage work was done initially and this was complemented by a further sand-slitting process across both the pitches.

3.3 The total sum of money spent on this work was £176,000.

4. RECOMMENDATIONS

The Bellshill Local Area Partnership is asked to note the contents of this report
