Matters Arising

Proposal for ASDA store

James Barr Ltd has approached the MGCC notifying us that they intend to apply for planning permission to build a store on Carlisle Road at Burn Stewart Distillers. Dr Glen will write on reply on behalf of MGCC with our concerns.

Shore Energy

The MRAPP committee is monitoring legal developments.

Right of Way

There is concern that the right of way toward the station and town centre will have to be rerouted to make way for the new school in Cairnhill.

The Woodlands Trust

We are awaiting a date for a community planting event with NLC green space team. Trees and shrubs have already been received.

Diamond Jubilee

Prince William is publicising an initiative to encourage communities to commemorate the Jubilee. The plan is to provide outdoor recreational areas for sport and activities. Dr Glen has spoken to NLC and has suggested the area down to the canal.
