5. Community Safety Meeting

Meeting held 2nd March well attended. Main issues discussed:

- CCTV location - Vincent McCulloch to explore option of camera at 'top shops' (Location choice made by analysts not community police)
- Football Changing Pavilion to be demolished
- Park lighting (old football fields) now repaired, hopefully more vandal proof.
- Police Survey - Police to meet with Community Groups
- Youth disorder - young people of village to be consulted re recreation facilities. Colin Bruce, Community Learning & Development NLC, to look at funding options/consultation process.
- Football co-ordinators - in order to encourage the interest of older children possible football co-ordinators to be sourced.
- Communication - local newsletter to consider lead in and centre spread on community safety, to confirm to villagers concerns raised at Community Safety Meeting being addressed.

6. Community Futures

Several meetings have been held concentrating on allotment project. Previous St. Mary's School, Caldercruix - possible fencing available. Allotment area to be cleared shortly - 5 plots. 9 people have shown interest. Formal application forms sent out and management committee to be formed. Inverhouse Distillery approached re possible use of whiskey barrels. Manager, Jim Manson agreed to donate 3 barrels which will be halved to give six planters. Community Garden Funding - application submitted.

7. Youth Project Premises

Premises Bruce Street surplus to requirement and will now be marketed at market value. Opportunity to retain to be explored. No opposition expressed to demolition.
