**Police Report**

63 calls (7 of these were about the same incident as another call)

5 missing person

21 non-criminal

10 crime reports generated

4 detections

There was an extended discussion of persistent noisy behaviour, vandalism, and fighting going on for extended periods in Old Glasgow Road and around Bluebell Walk. This happens at the end of events at Hatrix and has become intolerable. Officers said that they would contact officers dealing with licensing issues and report to them.

A question was asked about cars being scratched in Springfield Rd and the Police said that they had not received any reports of this.

**Minutes and Matters Arising**

Elizabeth noted that she had been in touch with NLC and that there is no right of way through the vennel at the Black Bull. Problems with the notice board still to be addressed.

**Treasurer's Report**

Bank £1294.46

Cash £32.31

Total £1326.77

**Secretary's report**

Noted that issue re the land behind the Black Bull has still not been resolved. Noted that NHS Lanarkshire has service agreements with Glasgow NHS and that patients are free to use hospitals there.

There was a discussion of ongoing problems with the school bus stop which has been moved to the junction at Baronhill and Roadside. It was noted that this remained to be resolved.

#### CVAC Report

A CVAC newsletter has been produced to highlight some events and ongoing projects including a Fields in trust event to dedicate a stone marking this status and a family fun night. The family fun night is on Friday 19<sup>th</sup> at 7.30pm – 10pm. Tickets will be available at September's community council or contact 729086.

#### AOB

There has been more tipping of rubbish in Burngreen Terrace and Norman offered to get this cleared up. The grill at the burn is blocked and this needs following up. A new cleansing vehicle is now going to tour residential areas but there is a delay in getting the bins. Thanks to Ann for following this through. Philip is designing a poster on dog fouling for shops as shops don't want the very graphic NLC one.
