

Report to Local Area Partnership -- December 2013

This paper gives LAP members a brief update on Community Forum activities that they have supported and will continue to support over the next year.

Development for the Group

Over the last few months the forum has agreed to help out in Bellshill and the surrounding areas with:

- Multi Faith Celebration
- Carers Event
- A Men's Health Event
- International Woman's Day
- Youth Consultation
- "See Me" Pledge
- Fuel Poverty Event

At the last meeting they agreed to look into issues of concern within Bellshill in:

1. Problems with parking around all Primary Schools

December will see the forum support a local group in their organisation of a Christmas party for all the local children. Forum member, Liz Lawless works tirelessly each year to ensure the children get the opportunity to come together as a community and celebrate.

As always the forum has continued to support the Blue Light Discos, with the last one engaging with around 150 young people.

Planning has begun for the Orbiston 'Picnic in the Park' on the 17 May 2014

Active Bellshill Community Steering Group have asked me to seek some time at the meeting to place a presentation on the proposed Sports Hub within Bellshill Academy playing fields at the next meeting of Lanarkshire Area Partnership meeting on 23rd January 2014.
