Dear Councillor Connolly

Register of Trustees

Following correspondence with our solicitors, we have been advised that it would be good practice for CLES to maintain a Register of Trustees. The information we require would be similar to that recorded in the Register of Directors for a Company. In addition to the obvious details; name, address etc, it would be helpful if we could record dates when trustees commenced their responsibilities.

I would be grateful if you could complete and return the enclosed questionnaire, the details of which will form the basis of our Register.

I look forward to receiving your responses.

Yours sincerely
