

CONFERENCE REPORT

Committee: Economic Development

Subject: The Battle Against Retail Crime

Conference Organiser: Neil Stewart Associates

Venue: Glasgow

Date(s): 20 June 1996

Recommendation: That the Council homologate the action taken in being represented at the Seminar by the Vice-Convenor

PURPOSE OF THE CONFERENCE:

- To bring together all those working on issues affecting retail crime.
- To examine in particular schemes involving local authorities affecting the physical environment in shopping areas and centres.
- To examine the contribution of new technology, especially CCTV and radio link, in retail areas and its success and uses in deterring retail crime.
- To discuss and examine measures to enhance partnership involving police, retailers and local government.
- To highlight the scale of the problem and the cost to the community and the industry.
- To examine schemes for "designing out" retail crime from local areas where particular kinds of problems arise for retailers.
- To spread examples of best practice among all those involved in the prevention of retail crime.
