

NORTH LANARKSHIRE COUNCIL

REPORT

AGENDA ITEM No. 7

To: Education Resources Sub-Committee	Subject: SCHOOL MEALS SURVEY
From: Director of Education	
Date: July 2005	
Ref: MM/KF/MC	

Summary

The Scottish Executive carries out a yearly census of free meals for all schools in Scotland. The survey was carried out in January 2005 and the results were published in June 2005. This report analysis the uptake in North Lanarkshire.

Recommendations

The education (resources) sub-committee is recommended

- (a) to note the Scottish Executive school meals survey report

Members wishing further information about the consultation document should contact:

Michael O'Neill, Director of Education, on 01236 812337, or
Murdo Maciver, Head of Educational Provision, on 01236 812269.

NORTH LANARKSHIRE COUNCIL: DEPARTMENT OF EDUCATION

SCHOOL MEALS SURVEY

REPORT BY THE DIRECTOR OF EDUCATION

1 BACKGROUND

- 1.1 The Scottish Executive carries out a yearly census of free meals for all schools in Scotland. The survey was carried out in January 2005 and the results were published in June 2005.
- 1.2 Pupils entitled to free school meals are those from families who receive Income Support or Income-based Job Seekers Allowance and children who receive support under Part V1 of the Immigration and Asylum Act 1999. Also entitled are those children whose parents or carers receive Child Tax Credit, do not receive Working Tax Credit and have an annual income of below £13,910.
- 1.2 This report highlights the main issues arising from the Scottish Executive publication.

2 UPTAKE OF FREE MEALS

- 2.1 The table below shows entitlement to free meals in North Lanarkshire in 2004 and 2005.

	PRIMARY		SECONDARY	
	2004	2005	2004	2005
Pupils on school roll	28,303	27,986	21,438	21,352
Pupils entitled to free school meals	6,633	6,215	3,910	3,642
Pupils taking free school meals	4,864	4,562	2,419	2,030
Percentage of pupils taking free school meals	73.3%	73.4%	61.9%	55.7%

- 2.1 Appendix 1 and 2 shows the percentage of pupils entitled to free school meals in all authorities from 1998 to 2005.

The main trend affecting North Lanarkshire is for the entitlement to fall faster than in Scotland as a whole.

- 2.2 Appendix 3 and 4 show the percentage of entitled pupils who actually took a free school meal on each census day from 1998 to 2005. Over the period there has been a substantial improvement in uptake in North Lanarkshire.

In the secondary sector performance is much better than the Scottish average although the fall from 2004 to 2005 is both surprising and concerning.

3 UPTAKE OF MEALS BOTH FREE AND PAID.

- 3.1 Appendix 5 and 6 show the percentage of pupils present on census day who took a school meal either free or purchased. In North Lanarkshire in both sectors there has been a substantial increase in uptake but it is still lower than the national average.

4 CASHLESS SYSTEMS, DRINKING WATER AND FREE MEALS

- 4.1 Appendix 7 and 8 show the number and percentage of schools in each sector, which have installed cashless systems and which offer fresh and chilled drinking water and free meals.

Since the 2005 survey, cashless systems have been installed in all North Lanarkshire secondary schools.

5 VALUE OF FREE MEAL CREDIT

Appendix 9 shows the value of free meals credit in each authority. Inter-authority comparison should be treated with caution because the price of food items varies.

6 Recommendations

The education (resources) sub-committee is recommended

(a) to note the Scottish Executive school meals survey report
