5) **EXPENDITURE**

- 5.1) The Central Repairs Account (CRA) budget for this financial year is £9,039,222. Additional works are however, instructed through the contract and funded by client revenue budgets, the capital programme or insurance claims. It should be noted that there are no specific annual budgets for these categories and the Division is reacting to the requirements of the client Departments. It should also be noted that not all of the work is instructed to MPC and that there are a number of other term contracts in place for works that did not transfer to MPC at the formation of the Public Private Partnership (PPP). The under noted is a summary of the current expenditure at 16 December 2005.

<b>Client Dept</b>	<b>Budget Heading</b>	<b>Budget</b>	<b>Committed</b>	<b>Expenditure</b>
<b>Education</b>	CRA	£5,952,328	6,143,346.02	4,580,487.99
