NORTH LANARKSHIRE COUNCIL: DEPARTMENT OF EDUCATION

School Transport Arranged by SPT: Contracts for the period 2006-2009

Report by the Director of Education

1. Background

- 1.1 In December 1995, the education committee approved Strathclyde Partnership for Transport (SPT) as agent on behalf of the authority in arranging transport for all eligible pupils except those with special educational needs. This approval was renewed in 2006.
- 1.2 For the period 2006-2009 the department authorised SPT to issue tenders and in April 2006 the education committee approved acceptance of 53 suitable tenders.
- 1.3 A further 18 have been advertised and the bids received listed in Appendix 1. This report covers successful tendering for 16 routes only. The Morningside Primary School contract (4022K1) has been advertised twice and each bid was considered to be too expensive. This contract will be re-advertised again. The Victoria Primary School contract (4311A1) was withdrawn.

2. Awards

The action detailed in Appendices 2 to 5 was taken :

Appendix 2 Contracts under £50,000 approved by the Director of Education

Appendix 3 Contracts over £50,000 which have been accepted by Strathclyde Partnership for Transport following approval by the Chief Executive, following consultation with the Convener of Education

Appendix 4 Contract to be re-advertised.

Appendix 5 Contract withdrawn.
