BROADWOOD STADIUM (CUMBERNAULD) LIMITED - APPLICATION FOR A SAFETY CERTIFICATE

1. There was submitted a report dated 2 July 1996 by the Director of Administration with regard to an application by Broadwood Stadium (Cumbernauld) Limited for a Safety Certificate for a regulated Stand in terms of the Fire Safety and Safety of Places of Sport Act 1987.

In that connection, the Convener was heard further in the matter and confirmed that there were no objections to the grant of a Safety Certificate from the Planning and Development (Building Control) or Construction Services Departments, the Police or Fire Authorities.

Decided:

- (1) that, subject to the submission of a revised Management Safety Plan by Broadwood Stadium (Cumbernauld) Limited to incorporate proposals for the new South Stand, the spectator capacity limit for the Stadium be increased to 7,944, and
- (2) that the detailed terms of the Safety Certificate for the Stadium be reported to the Sub-Committee at a later date.
