Dear Sir,

WINGS APPEAL - APPLICATION FOR FINANCIAL ASSISTANCE.

I am writing to seek the support of your Council towards our annual Wings Appeal collections by way of a financial contribution. The membership of this Branch includes a small number of members from within the area of your Council.

The funds which are raised during Wings Appeal are used in welfare support to serving and ex-serving R.A.F. personnel and their dependants where this has become a necessity. As you will appreciate, with the advancing years, welfare needs from within the section of the community for which Branches such as ours caters have become greater. This at a time when the number of members able to assist in collections has diminished.

The Association was established in 1943 and helps over 40,000 individuals each year. I would be grateful if your Council could see their way to make a contribution towards our efforts. Should you require any further information, please do not hesitate to let me know. Meantime, many thanks for your assistance.

Yours faithfully,
Archie Caulfield
(Archie Caulfield)
Branch Secretary &
Wings Appeal Organiser.
