

REPORT

To: GENERAL PURPOSES COMMITTEE		Subject: TWINNING LINK WITH BRON INVITATION TO VISIT NORTH LANARKSHIRE	
From: DIRECTOR OF ADMINISTRATION			
Date: 16 July 2004	Ref: JOH/AH		

1. Introduction

The Committee has previously authorised an invitation being extended to the Maire of Bron to lead a delegation to visit Cumbernauld and North Lanarkshire to mark the 30th Anniversary of the twinning link between the two communities.

2. Background

2.1 When the Provost led a delegation to Bron in March 2004 to discuss, along with Bron's other twinned communities, a number of planned twinning arrangements and options, the Provost extended an invitation for the Maire and a delegation from Bron to visit Cumbernauld and North Lanarkshire later this year.

2.2 Madame le Maire at Bron has indicated that she would be very pleased to lead such a delegation and arrangements are in hand for a visit to take place, probably during October 2004.

3. Recommendation

That the Committee authorise that appropriate arrangements be made to provide hospitality and accommodation associated with the visit of a civic delegation from Bron to North Lanarkshire.

Director of Administration
