

REPORT

To: HOUSING COMMITTEE		Subject: SCOTTISH POWER PRESENTATION
From: DIRECTOR OF HOUSING		
Date: 22 NOVEMBER 1995	Ref: GSW/MR	

I have been advised that Scottish Power wish to invite to all Councillors and senior officials of the new authority to a presentation which will address the issues arising from re-organisation of local government and examine how these will impact on our respective organisations. Scottish Power will also take the opportunity to provide an update on recent developments across its full range of activities. The presentation will take place sometime during January or February 1996 and I would seek Committee's approval to accept the invitation in order that the necessary arrangements can be finalised with Scottish Power in conjunction with the Committee Chair.
