the COSLA Planning Committee

Dear Councillor/Chief Executive/Adviser

PLANNING CONFERENCE

I refer to earlier correspondence intimating the dates of the Planning Conference to be held in Dumfries & Galloway Regional Headquarters on 17-19 October 1995. Unfortunately, due to unforeseen circumstances, the Planning Conference has had to be re-scheduled and will now take place in Dumfries commencing on the evening of **Tuesday, 24 October until Thursday, 26 October 1995**.

I should be grateful if you could note these revised dates in your diary and accept my apologies for any inconvenience which this re-scheduling may have caused. I hope to be in a position to circulate the programme and registration form for the Conference in the near future.

Yours sincerely

Andy O'Neill
Policy Officer
