

Coatbridge College – Estate Redevelopment Strategy

1. College Vision
To provide a first class educational experience within a campus which is accessible, fit for purpose and appropriate for the 21st Century.
2. Approach
Through a developing partnership strategy. Use internal and external funding sources to:
 - Refurbish the College South (Kildonan Street) building
 - Create an open internal courtyard
 - Create an atrium joining the North and South buildings
 - Develop the North building to include recording studio, media centre, international theatre and conference facility
 - Build a new nursery
 - Demolish Hutments and build a car park
3. Timescales
 - Final Funding Approval April 2008
 - Decant Strategy implemented February 2009
 - South building vacated January 2009
 - Phase 1 completed August 2010
4. Stakeholder/community communications strategy.
5. Local Area Partnership views and comments.
