Mr. Norman Turner - Director of Leisure & Recreation,
North Lanarkshire Council,
Buchanan Tower,
Buchanan Business Park,
Stepps, Glasgow. G33 6HR.

Dear Mr. Turner,

SPORTS GRANT FOR INTERNATIONAL TRAMPOLINE COMPETITOR

Over the last few years I have been receiving financial assistance from Monklands District Council to assist me in pursuing my sporting career. As North Lanarkshire is now the local authority I would be grateful if you would consider continuing this much needed and appreciated aid.

Monklands District Council provided me with almost £1000 last year and the money helped towards training costs, competition fee's and travel costs. I would like to point out that I also make applications to other bodies to enable the costs of pursuing my goals to be covered. This includes Monklands International Sports Trust and the Scottish Sports Aid Foundation. Last year the Scottish Sports Council awarded me a substantial special grant to enable me to gain much needed training abroad, with athletes of similar standards - as for the last few years I have been achieving a much higher standard than other Scottish competitors and find it difficult to achieve a training peak here.

I appreciate that my name may be relatively unknown to you, basically because trampolining does not receive much national press coverage. However, I do endeavour to publish as many results and news as possible, especially in the Airdrie & Coatbridge Advertiser. Also in 1995 I was voted Senior Sports Personality in Monklands District. I have included a resume of my results, forthcoming events, details of my general expenses and a reference from my coach.

I would be grateful if you would consider my application or pass it to the appropriate committee. Should you require further information do not hesitate to contact me. Thank you for your time and I look forward to hearing from you.

Yours sincerely,

Chris Linney

CHRISTOPHER LINNEY - TRAMPOLINING

I am 25 years old and have just graduated from the University of Paisley with a B.Sc. Land Economics.

I have been involved in trampolining for 15 years now and have been in the national team for the last 10 years. I am the most experienced member of the team and regularly compete at international events. Recently I broke the Scottish record for the highest score achieved in competition.

At club level I am coached by Mike McGhee who was voted 1992 Coach of the Year by the British Coaching Foundation. Mike is also National Team Coach and has coached a number of successful internationalists. I train at Monklands Trampoline Club, based principally at the Time Capsule.

If all goes well at the forthcoming World Cups, I hope to be able to compete in the next rounds to be held in Australia and New Zealand next year. This is to enable me to progress to the World Cup Final 1997, finances permitting, where only the Worlds top ten have qualified to compete.

I am also involved in coaching, judging and am the Western Division Liaison Officer for the Scottish Trampoline Association.

CHRIS LINNEY

I have been coaching Chris for approximately 10 years . Through sheer hard work, determination and dedication, Chris has proved to be the most successful competitor that Scotland has ever produced.

He has been the Scottish Open Champion for the last 7 years, beating competition from all over Europe in the process. He has held the title longer than anyone else in the history of the sport. He has held the Scottish National Title for five years and all other titles at some point.

His greatest success in Britain has been silver medalist at the British Championships. On the international scene, he has won silver at the World Age Group Championships in New Zealand and has been a finalist in the World Cup. His outstanding form has returned this year, proved by his first international win of the season at the Martin Cup. He will be representing Scotland this year on several occasions.

Chris is respected and admired by his peers in trampolining throughout the world, both for his competitive excellence and his general attitude and demeanour.

Dear Sirs

I write on behalf of the Association with the hope that you will be able to help us stage this year's Games, by way of a donation towards the running costs, particularly this year, as we will be losing our main sponsor, Cummins Engine Company who are leaving the district. Our main aim at present, is to try to keep the Games going until we reach the 50 year goal in 1999.

Our Association has been in existence now for 47 years, and is one of the few traditional Highland Games left on the circuit. On the day of the Games we will have... Highland Dancing to the highest standard, two Pipe Band Contests, Adult and Schools' Athletics. There are other attractions which will cost the Association an enormous amount of money. We are not a profit making organisation and rely heavily on the generosity of businesses and individuals' alike.

Our Chieftain this year will be The Rt. Hon. Helen Liddell, M.P.

I thank you in anticipation, and look forward to hearing from you in the near future.

Yours faithfully

Dear Chief Executive

KUALA LUMPUR 1998

The 1998 Commonwealth Games will be celebrated in Kuala Lumpur, Malaysia. Kuala Lumpur is very anxious to make a success of these Games for the sake of Malaysia. Team sports have been added to the normal ten individual sports. These are cricket, hockey, netball and rugby sevens.

We in the Council are anxious that Scotland is properly represented in all sports and this means that we are planning for the biggest ever Scottish team.

Unlike World Championships and Olympic Games this is Scotland's only opportunity for our sportsmen and women to compete in many different sports as a Scottish team and for most participants it will be the highlight of their sporting career. Competitors come from all parts of Scotland and we seek your authority's support for this major event. We know that regardless of the final selections the whole country shares in the pride and prestige of a good team.

In the past local authorities have been very supportive of the team and we are most grateful for that and hope that it can continue. We are aware that regional and district councils are changing shape in April 1996. We would be grateful if your council could consider making a financial contribution for equipping and sending the team for 1998, before the 1996 changes take place.

Dear Mr Turner

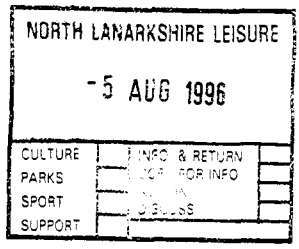

The 5th Commonwealth Table Tennis Championships were staged in Edinburgh in 1979 by the Scottish Table Tennis Association and were an outstanding success - due in no small measure to encouragement and financial help from Scottish Local Authorities.

The Championships are returning to Scotland in 1997, this time in Glasgow. With a gap of 18 years there is a considerable increase in the cost of staging this prestigious event so we hope that the new Scottish Local Authorities might consider providing some financial assistance to the Association to assist in the staging of the 13th Commonwealth Table Tennis Championships.

We are confident that you will give this request your consideration and hopefully, your support. Cheques should be made payable to the Scottish Table Tennis Association.

Dear Sir/Madam

I am writing on behalf of the above named Bowling Club. Since the Monklands Centenary in 1985 we have been privileged to organise and run a bowling tournament for ladies. Invitations were issued to a number of clubs within the old Monklands District. Normally, a senior representative from the council would be invited to share a meal with the ladies and present the prizes. The 1995 tournament was won by the ladies from Gartcosh Bowling Club and it is proposed to run this years competition on Saturday 15th June.

The competition has been, since its inception, sponsored by Monklands District Council. This body is no longer in existence and I have been instructed by my Committee to write to you to enquire if North Lanarkshire Council would be willing to support this event. The total amount is not excessively large at some £232.

I would be grateful if you would consider this request favourably and reply to my home address as soon as possible.

Yours faithfully

As you are aware Motherwell District Scouts Executive Council are holding their annual swimming gala on Friday 3rd May 1996 at the new Wishaw Pool. This is a well-attended event with over 100 swimmers taking part representing their various groups in the Motherwell District. The Scout Executive would like the District Leisure Department to support this event once again this year with the granting of a free let or a reduction in the standard fees charged.

Dear Mr Turner,

RE WISHAW GAMES

I am writing to ask if it would be possible for the new North Lanarkshire Council to assist our club by providing financial assistance in the form of Free Lets and lunches for officials for the two days, although at this stage we are not sure how many people will require lunch I have estimated it to be about sixty on the Saturday and thirty on the Sunday, as you already know Wishaw Games is the largest sporting event for Disabled Athletes in Scotland and we would never have achieved that without the help that we have had in the past, it is hoped that we can have a favourable reply to our request.

For the Attention of Mr Gregor Yeoman

Dear Sirs,

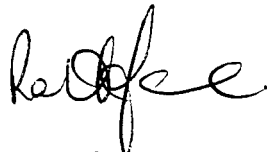

I am writing to request the use of the running track at Airdrie Leisure Centre for a fund-raising event.

I am writing on behalf of Monklands Youth Concert Brass Band, which is based in Airdrie, who are planning to walk the equivalent distance of Airdrie to London (388 miles). The event will take place on a Monday or Thursday night in early September of this year. The walk will take approximately two and a half hours.

Because this is a fund-raising event for the children of the town, I would appreciate it if you will grant a free let for the use of the track for this event.

Thanking you in anticipation.

Dear Sir

Monklands Young Golfer of the Year Competition 1996

For a number of years the Rotary Club of Monklands has put on a Young golfer of the Year Competition and the Venue has been Coatbridge Municipal Golf Course. The Competition is open to pupils of all the secondary schools in Coatbridge and Airdrie.

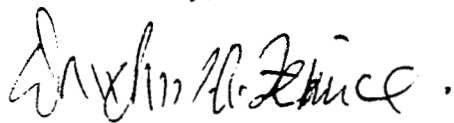

The proposed dates for this year's Competition are 19th and 20th June. I have spoken to George Weir, the Professional at the golf course and he has confirmed that so far as he is concerned the dates are available.

I should be obliged if you would confirm that we may have the use of the golf course again this year for this Competition which is normally well supported by all the local secondary schools and is much appreciated by both the pupils taking part and the school staff.

In the past in view of the nature of the event we have had the use of the golf course free of charge. I understand, however, that there may now be a charge and I should be obliged if you would let me know the position keeping in mind the nature of the event.

I look forward to hearing from you.

Monklands Young Golfer of the Year Competition 1996

I am pleased to confirm your booking of:-

19 June 1996	Tee off time from 9.30am - 11am
20 June 1996	Tee off time from 1pm - 1.45pm

Further to your recent letter regarding the above, and your subsequent telephone conversation with Jim Rankin regarding same, I confirm that I have forwarded your request for free use of the facilities to the appropriate Committee within North Lanarkshire for their consideration.

I would, however, ask you to note that should your application for free use be denied, then the normal hire charge of £163.20 would be applied.

I trust this information is helpful to you and your organising Committee and the young golfers have a successful tournament and the weather will be favourable on the days of the event.

Dear Sir/Madam,

I am writing to you on behalf of the above named group of gentlemen, who have got together to form a fund raising organisation known as The Carfin Charity Shield.

As this is our first year, we have decided to help a local boy, by the name of Steven Grace. Steven suffers from a very rare disease called Cornelia de Lange Syndrome and his lifestyle is very restricted by this. I have enclosed a letter written by Steven's mother, to give you some idea of the nature of his illness.

We have decided to try and raise enough money to give Steven the holiday of a lifetime, by sending him and his family to Euro Disney in Paris. So far, we have organised a Race Night within our village and raised a remarkable £750.

CARFIN CHARITY SHIELD

Committee

J. McCormick, P. O'Rourke, F. McCormick, J. McVey, M. Scott, R. Scott, F. Connolly, J. Thompson

As most of the gentlemen on the committee and of course Steven enjoy football. We have come up with the idea of a Charity football match between the Married men and the Single men of the village. The people of the village have already shown great interest and are relishing the prospect of the event taking place

As the obvious and most local site for the football match to take place is the Hatterhill Park in Carfin. I'm writing to enquire as to the possibility of the football park being re-opened earlier than is normal at this time of year. Ideally we were hoping that the match could be held on Sunday 18th August 1996

I appreciate that this may cause some problems but I'm optimistic that due to the nature of our request you make look favourably upon it. If there are any problems arising, you can contact myself, during office hours, on 01355 273993 or at the above address.

I would be most grateful if you would please acknowledge receipt of this letter by calling on the above number. Thank you for your time and help in this matter and I look forward to hearing from you in the near future.

Yours in anticipation

Francis J. Connelly

Steven Gracie

Steven was born with a rare condition known as *Cornelia de Lange Syndrome*. (C.D.L.S.) and I know of only 10 other Scottish families. There was very little information on CDLS when Steven was born in June 1981, all we knew was that he would be mentally handicapped and that it was unlikely that he would live beyond his 1st birthday. "Just take him home and love him" we were told.

Well Steven is still here he can walk, he's very mischievous, he talks non-stop and is "usually" a lovely wee boy! He was sixteen years old in June and goes to Clydeview School for mentally handicapped children in Motherwell which he loves. He can't read or write but loves drawing pictures, baking, swimming lessons and helping around the house - he's a dab hand with a screwdriver or paintbrush!

Steven has had quite a few medical problems in the last few years and has attended Yorkhill Hospital in Glasgow for operations on his gullet, stomach and bowel. He was very poorly for quite a while and his weight dropped to under two stones, because his gullet kept closing over he had to have a special tube inserted into his stomach and we fed him through this for nearly 18 months. He still has his tummy tube for backup reasons should his gullet close again. He manages to eat soft foods and he really loves milkshakes and skips.

One of Steven's greatest loves is music and is a great fan of Daniel O'Donnell and the Dubliners in fact anything Irish, our family joke is that one of his blood transfusion packs must have been donated by an Irishman! Steven got a keyboard for Christmas last year which he's learning to play - a great star of the future maybe!

Re: Application for Continuation of Sponsorship

Dear Sir,

Some 18 years ago Cumbernauld & Kilsyth District Council joined with Cumbernauld Bridge Club and the Scottish Bridge Union to promote a Teams of Four Bridge Tournament in the Tryst Sports Centre. The winners received the Edwin Berry Trophy.

From relatively small beginnings the tournament has grown to be the largest event of its kind held in Scotland. Last year it attracted nearly 100 teams from all over Scotland and even a sprinkling from south of the border. Many of these participants hold significant positions in the worlds of insurance, banking and business.

I wish to make a formal request for your continued support for this event. Over the years this has taken the form of a grant equivalent to the cost of the let of the Tryst Sports Hall and this most generous provision has been greatly appreciated. I would hope that this level of support will be continued for the 1996 tournament. This year's event will take place on **SATURDAY 5th OCTOBER, 1996** and I will write separately to the Tryst to place the booking.

I look forward to a favourable response.

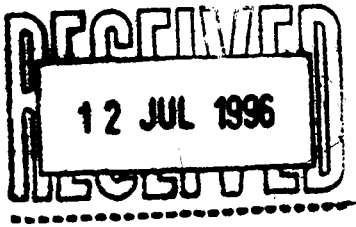

Yours faithfully,

John Wilson

Dear Mr. Yeoman,

Each year, for the past seven, Chryston Tavern have operated a Charity Day involving a football match, quiz, raffles etc to benefit very worthy local charities. The football match has taken place on the Moorpark, Muirhead. Everything is for charity and the main aim is to keep costs to a minimum. Football strips are donated by Celtic and Rangers, Raffle Prizes are donated by local shops and in the past few years we were given use of the Moorpark and Changing Rooms free of charge by Strathkelvin who also erected the goals for us early.

I am writing today to ask you if there is any way that North Lanarkshire Authority would be good enough to accommodate us with the same arrangements. We would be very grateful if you could consider this request and look forward to hearing from you.

Yours sincerely,
