Various groups/organisations received annual payments from the previous Councils which have continued in accordance with the inherited budget. These are detailed in Appendix 1.1

2. "New" Adhoc Grants

New adhoc grants are awarded primarily to promote the development of sport and sporting individuals and to promote cultural interests. These are distinct from the general awards made at community level through the Community Development Grants Scheme.

The grants awarded in 1997/98 are detailed in Appendix 1.2.

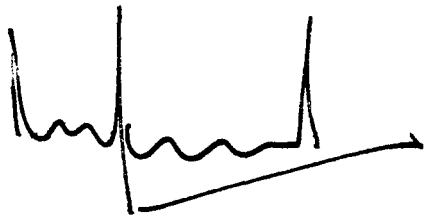

3. Cultural Project Grants

Detailed criteria have been established for cultural project grants. With the exception of the national performing arts organisations expenditure, all expenditure is "new".
