

NORTH LANARKSHIRE COUNCIL

REPORT

AGENDA ITEM No. 11

TO: Planning and Environment Committee		Subject: Negotiated Tender – Nimactocote Surfacing – 2005/06 Consent to Negotiate
From: Director of Planning and Environment		
Date: 02 March 2005	Ref: N/TM/61/8	

1. Purpose of Report

- 1.1 The purpose of this report is to seek authorisation to negotiate a tender with Kiely Bros Ltd for the "North Lanarkshire Council, Supply and Apply Proprietary Surface Treatment "Nimactocote" 2005/06" contract.

2. Background

- 2.1 Nimactocote is a proprietary thin surfacing overlay, which has previously been successfully utilised by the Council, in order to extend the useful life of roads where the existing wearing course has failed. The estimated cost per square metre for this treatment is less than £5.00 which compares favourably with conventional resurfacing costing £7.00 to £8.00 per square metre for planing out the old wearing course and resurfacing with hot rolled asphalt. The process therefore represents good value and carries a four-year guarantee.
- 2.2 Kiely Bros Ltd are the sole supplier and installer of this proprietary treatment and it will therefore be necessary for the Council to negotiate a tender with this contractor, on a similar basis to the tender procured during the 2004/05 financial year.
- 2.3 The treatment is only suitable for certain site conditions and it will therefore also be necessary to agree the proposed areas to be treated with the contractor during the tender negotiation.
- 2.4 It is intended to allocate £285,000 from the Department's revenue budget to carry out this work.
- 2.5 A further committee report will be submitted with a view to obtaining Committee authorisation to award the contract, subject to the successful conclusion of the negotiations.

3. **Recommendation**

3.1 It is recommended that Committee

- a) Authorises the Director of Planning and Environment to negotiate a tender with Kiely Bros Ltd for the "North Lanarkshire Council, Supply and Apply Proprietary Surface Treatment "Nimpactacote" 2005/06" contract.
- b) Notes that a further committee report will be submitted with a view to obtaining Committee authorisation to award the contract, subject to the successful conclusion of the negotiations.
