

REPORT

To: COUNCIL		Subject: LANARKSHIRE HEALTH BOARD
From: CHIEF EXECUTIVE		
Date: 23 June, 1999	Ref: AIC/AF	

I understand that there is a vacancy on Lanarkshire Health Board and would suggest to Council that it may be appropriate to consider requesting that the vacancy be filled by a member of this Council. In addition, because of the recess period now coming up, the Council may wish to consider agreeing now on the name of any member it would wish to put forward for membership of the Board if it's submission is successful.

Recommendation

That the Council agree the terms of this report and nominate a member.
