Davie Truesdale

### Meeting opened 7pm

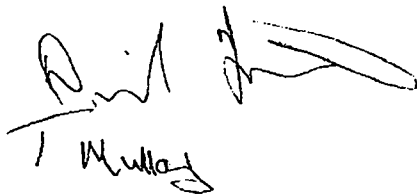

Residents raise concerns regarding different information given to them by NLC staff at the public meeting and why they have been told their block would not be done and on looking around Gartlea have found that blocks with the same composition have been done. Residents also raise concerns regarding insulation and the cost. Councilor Stocks will look into these concerns.

Chairman informs the group that the Christmas party is all booked just posters, tickets and things needed on the day to organise. Secretary will organise letters to local shops for donations of crisps, sweets, drinks etc.

Meeting closed.
