Chairman's Opening. The Chair welcomed everyone to the Meeting.

Adoption of Previous Minutes:

Proposed by J Miller

Seconded by S Macaloney

Matters Arising from Previous Minutes:

- (a) Drains in Lochend Road -
M Dinardo advised that he had made contact with Scottish Water and that they would respond within their standard 28 days.
- (b) Parking around the Crime Campus – this remained a problem and there appeared to be no further development with regard to the proposed additional parking spaces. It was agreed that if there was no progress by the next Meeting then the matter would be pursued.
- (c) The Seven Lochs Development Project – no news
- (d) NLC Community Council Quadrennial Elections October 8, 2015. Members were urged to seek others to consider putting themselves forward. Election Papers will be available from w/c August 10 on the NLC website & local libraries.

Treasurer's Report.

The Treasurer advised by an earlier Report to the Secretary that the Bank Balance was £213.96 and that the outstanding Grant monies had yet to be received.

Police Report: In the absence of the Police there was no Report this month.

Planning

It was noted that there were no inclusions on the Planning Lists for the period.

The current status of recent Applications was reported as :
30 Kildrummy – pending consideration
4 Mowbray – permitted
29 Woodneuk – pending consideration
2 Manor – pending consideration

Other Matters

- (1) Local Government Boundary Review – Consultation over the next 12 weeks requested. It was noted that Gartcosh could not be easily allocated to a specific, proposed Ward. Probably it was being included in either Ward 6, Glenboig, Muirhead & Stepps South, or, Ward 21. But certainly not Ward 5, Chryston, Moodiesburn & Stepps North.
- (2) Unison Newsletter received
- (3) It was reported that speeding on the A752 remained a problem.
