Healthier independent lives

Health & Social Care
North Lanarkshire

Locality Profiles

- General introduction outlining background to locality approach in NL and process to date.
- Provide local context for each locality:
 - Demographics
 - Services
 - Care provision
 - Health behaviours
 - Hospital data
 - Community safety

Healthier independent lives 

Assessment

- Joint Strategic Needs Assessment
- Identify needs of our communities to ensure the right mix and volume of services

Healthier independent lives 

Coatbridge Locality

- ❖ Access to services
- ❖ Alcohol – prevention / education and treatment
- ❖ Reducing the number of admissions to residential, A&E and nursing care for older people.
- ❖ Improving mental health in Coatbridge
- ❖ Young people, education and prevention
- ❖ Housing and poverty

Healthier independent lives 

Coatbridge Locality

What this will mean for the people:

- ❖ Easier access to a full range of services and support for people
- ❖ More coordinated care and support across different professionals
- ❖ Agreed measurements for standards and consistency of quality of services
- ❖ Continued analysis of need and review of services within the locality
