

Cumbernauld Village Community Council
Minutes February 9th 2017

Present

Philip Morgan-Klein, Jim MacLean, Norman Egan, Douglas Dorans, Adam Irvine, Elizabeth Snedden, Ann McLeish, Pat Churches, Paula McCrae, Edward Pepper

Apologies

Nancy McEwan, Gillian Connolly

Police Report

There were 10 crime reports in the past month including minor road traffic offences, damage to property and theft. Police Officers warned the community council that opportunist thieves were at work in parts of Seafar looking for unlocked doors, stealing car keys and driving off with cars. It was agreed to alert the community via the facebook page.

Minutes and Matters Arising

Noted that Ann's name was mistakenly omitted from the sederunt for January's meeting. The stairs off Glasgow Rd have been mended following the January meeting with councillor Grant

Treasurer's report

Bank £1701.93

Cash £71.73

Total £1773.66

Secretary's Report/ Local development plan

A Report was tabled. There were no objections to the planning issue. The paperwork for this has arrived. Philip summarised the issues. There is no designation of the red ash pitch for housing in the plan. The map appears to show that a further 8 houses are to be built at bluebell Walk and this needs clarification. Agreed to ask for clarification of the meaning of 'unit' in relation to the school site and to give feedback on the need for low rise housing on such a prominent site.

CVAC Report

One half plot is vacant in the community allotments

The calendars made a total of approx. £1300 profit

There will be an event to work on the Weavers' beds which will include refreshments in the allotments cabin.

AOB

The renovation of Burngreen terrace – will the Main Street elevation be renovated? A wall separating the Terrace from the last property on the Main street is falling down.

Discussion of allocation of monies for playparks and whether the Village is being treated unfairly. Ann will attend a meeting.

Why have we not received proposals for the Town centre bus station

Cumbernauld Environmental Society have had a speaker on fracking and Norman outlined some of the dangers

Lack of parking in the village. A resident has suggested writing to business owners to ask them not to park in front of their businesses.
