Minutes and Matters Arising

Agreed that the Chair (Philip) to lay the community council wreath at the war memorial.

Residents' concerns

There was an extended discussion of the problems arising from the new recycling and bin waste management scheme. It was agreed that a letter be sent to NLC outlining the community council's concerns.

Councillor Reports

Philip welcomed Clare Barclay to the meeting. Clare often has a meeting clash on Thursdays but will attend when possible. Clare's surgery is the last Thursday of each

month. The councillors present emphasised the importance of team work across political parties for achieving community goals. Gillian Fannan reported that she had secured a new hearing loop for the Village Hall and that the janitor will now charge this. Norman found the equipment a huge improvement. Gillian also reported that she has had the dilapidated Burngreen Terrace inspected and there is now an agreement that it will be added to the roof and render programme for the financial year 2018/19. Gillian had managed to follow up long standing questions the community has had about emergency planning and resilience. An officer will come and speak to the community council on this in the near future. Gillian was thanked for her hard work this month.

Treasurer's Report

There was no change from the last report

Secretary's Report

A report was tabled. Agreed to find out what happened following the NHS Lanarkshire Health Strategy consultation we contributed to.

Projects

Multi sports play park

There was some discussion of what work on such a project would entail including a rough figure of £80-90k which would need to be raised by the community. The project would require a sub committee of people working on it. There was then some discussion of work the community council needs to do in the new year on outreach to get more people involved. Philip to attend Local Area Partnership meetings.
