Appendix 1 Summary of contracts awarded

1. Background

1.1 The Councils General Contract Standing Orders (the 'GCSOs') outline financial approval thresholds for contracts for goods, works and services. Contract awards above £500,000 for Supplies and Services and above £2,000,000 for Works require approval by the Committee. These contract awards are considered by the Committee on a case by case basis.

1.2 Where the value of a contract award is between £50,000 and £500,000 for Supplies and Services and between £500,000 and £2,000,000 for Works, GCSOs require that the Head of Asset and Procurement Solutions award these contracts on behalf of the appropriate Chief Officer.

- 1.3 The Head of Asset and Procurement Solutions is required to notify Committee on a regular basis of any such contracts awarded.
-

2. Report

- 2.1 The GCSOs require that contracts in excess of £500,000 for supplies and services and £2,000,000 for works are approved, on a case by case basis, by the Committee before award
- 2.2 The GCSOs require that contracts with a value above £50,000 but less than £500,000 for Supplies and Services and above £500,000 but less than £2,000,000 for Works are awarded by the Head of Asset and Procurement Solutions on behalf of the appropriate Chief Officer.
- 2.3 The contracts awarded by the Head of Asset and Procurement Solutions that are under the £500,000 Committee financial approval threshold for Supplies and Services and £2,000,000 for Works in the period from 1 October 2018 to 31 December 2018 are detailed in Appendix 1.
