Chairman's remarks: Brian Elder opened the meeting with reminiscent remarks on former members Jim Hynes and Rita Anderson.

Brian Elder also took time to remind members to revisit items he'd circulated on potential undertakings for the Community Council.

Previous Minutes adoption: Minutes had been previously distributed, and adoption was proposed by Norma Corrigan and seconded by Alec Taylor.

Minutes of meeting to be sent to all concerned parties and Library.

Business arising – None

Secretary's Report – Steven Gladstone read correspondence he'd been having with NLC Parks department regarding Community Council gaining influence on monies spent on Parks from recent housing developments. A meeting is to be set up to discuss this.

Planning – It was noted that planning has been quiet in past few months but a list of large planning applications that are in the system or have been passed was circulated by Secretary to ensure all members were familiar with them and where they are in the planning process. Brian Elder spoke to explain that it was important the implications of these applications are thought about with regards pressure on roads/schools and environmental matters.

It was also discussed the ongoing matters of Health Clinic needs plus the Monklands and CPS consultations.

A land enquiry from Claire Williams was read out by Brian Elder and approved by Community Council. It was also agreed to enquire about land ownership south of Station Road roundabout.
