Secretary's Report

ALB noted that planning reports are now emailed to her and forwarded when received. Other correspondence received was being circulated.

Community Councillors Reports

CM reported on progress with H&P. She will write to them again to demand information about percentage of resident's permission required to remove them. **AM** will also request information from the council.

BK advised that there was still no info from the Campsie Board regarding funds requested for the community park and play parks.

BL asked about status of play park in Glen Lednock. **AM** will investigate.

TM asked about recent problems with the traffic lights at Broadwood. **AM** reported that they had been switched on in error and would not be on again until everything was ready. There would also be proper notification when they were switched on.

Local Councillors Reports

AM stated that all issues had been overtaken. He noted that Police were still patrolling the park area but no incidents had been reported since the Police dealt with the large group and a few arrests were made.

Easter Event

Feedback suggested the event had been a success. **BL** suggested a refreshments stall at future events.

AOB

Nil.
