

Good Morning,

In the absence of the local Community officer I have been requested to send the figures as follows

For the month of July 2022

155 calls in total for the area

18 of the calls have resulted in Criminality with 2 having persons charged for offences and the rest having no further lines of enquiry/ having enquiries ongoing. The breakdown ss:

2 x Fraud

3 x Anti-social behaviour offences

2 x Assault

1 x Road Traffic offences

7 x Theft

1 x Vandalism

1 x Sexual offence

1 x Computer offence

It should be noted that although it appears a high number of thefts, these figures are skewed with 5 of them being 'Thefts of fuel' from local filling stations.

Hopefully your local community will be in a position to attend the next meeting.

Thanks
